Terms of Reference

Assessment Team (AT) comprises of 2-3 faculty members (at least one expert in the area of the assessed program) from within or outside the university.

During the assessment period of an academic program, the Assessment Team (AT) shall serve as a contact group. The AT will be responsible for conducting the assessment, and upon completion, they will prepare and present their findings in an exit meeting. This exit meeting should be attended by various stakeholders, including the local Quality Enhancement Cell (QEC), the dean/HoD of the academic program, the program team, and faculty members. During the meeting, the AT will share their assessment results and discuss any recommendation or improvements for the program.
